

as i keep on dreaming

i was walking the streets
a girl in her dreams
no place to be
looking for sleep
for someone to meet
for some inner peace
i was walking

there's a place i go
no one ever knows
i say it's for show
they say it's for ghosts
i was walking alone in the
dark
i was wandering

please
give me something
to drown out
the voices i'm hearing
as i keep on dreaming
as i keep on dreaming

the noise in my head
the sounds that i dread
hanging by a thread
trying to look ahead
a feeling of loneliness
i had never felt

yeah, i've been told it's hard
to let go of the past
mend a broken heart
from a million tiny pieces
that were torn apart

i'll say thanks for trying
but there's nothing to stop
the voices i'm hearing

as i keep on dreaming
i keep on dreaming
i'll keep on dreaming
i keep on dreaming
i'll keep on dreaming
oh-oh

all i could see
was the shadow of love
on every corner
angels from above
they had it coming
they said it'd be tough
but i'll keep on dreaming
for my day to come

i keep on dreaming
i'll keep on dreaming
i'll keep on dreaming
as i keep on dreaming
i keep on dreaming
i keep on dreaming
oh-oh

the voices i know
old memories
notes on the piano
i forgot i was falling low
the laughter it blew off
the cold

now, i look around
i see no more ghosts

i dream on
for my day to come
i dream on
i dream on
for my day to come
i dream on

tell me

i know you
and you know me
but is this how
it's supposed to be?
you lie to my face
and try to stay
or you tell the truth
and walk away
either way i can't win,
so please tell me
what you feel within

cause i don't know why
but i've fallen far behind,
and since you're around
my whole world is upside down

is this all in my mind
or am i lost in the crowd?
my head is in the clouds
and i'm never coming down

so, tell me,
is this all for show,
or do we really know
what the future holds?
tell me,
is it all in my mind,
or am i going blind
to the things i see?
tell me, tell me, tell me

our path is written
in the stars,
yet i don't know
who you are

you assume
that i'm alright,
but you don't know
i'm afraid at night
cause i dream things
you've never seen,
and you see things
i've never dreamed

yeah, i don't know why
but i've fallen far behind,
and since you're around
my whole world
is upside down

so, tell me,
is this all for show,
or do we really know
what the future holds?
tell me,
is it all in my mind,
or am i going blind
to the things i see?
tell me, tell me, tell me
tell me, please tell me,
tell me

is this all in my mind,
or am i lost in the crowd?
my head is in the clouds
and i'm never coming down

so, tell me,
is this all for show
or do we really know
what the future holds?
tell me,
is it all in my mind,
or am i going blind

to the things i see?
tell me,
if it's all for show
Or do we really know
What the future holds?
tell me,

Please tell me,
if it's all in my mind,
Or am i going blind,
tell me,
please tell me,
tell me,
tell me
